**Development of the Waste Management Industry Conference**

**Harmonization of Industrial and Environmental Policies Conference**

**Clean Air Thread**

**Urban Environment Thread**

**Conservation of Forests and Biodiversity Thread**

**Water Resources Thread**

**The Future of Energy Thread**

**Human Capital Thread**
STRUCTURE OF THE PROGRAMME

SECOND DAY, May 24, 2021

09:00-10:00  REGISTRATION, WELCOME COFFEE BREAK

WORKING SESSION  Hall 1
Accumulated environmental damage. The role of state and business

WORKING SESSION  Hall 2
Green project financing: development of rules and incentives

WORKING SESSION  Hall 3
New generation: Shaping a green energy sector

WORKING SESSION  Hall 4
Preserving the Forest. Part 2. Non-state forest management and timber industry development

10:00-11:30

11:30-12:00  BREAK

PANEL SESSION  Hall 1
ESG agenda in Russia: trends and nuances

WORKING SESSION  Hall 2
Climate change: how it affects business and people

WORKING SESSION  Hall 3
Towards a circular economy: separate collection and recycling (part 1)

WORKING SESSION  Hall 4
Rational water use: tools and technologies

12:00-13:30

13:30-14:00  BREAK

PANEL SESSION  Hall 1
Without a trace: shaping an environmentally friendly transportation system

PANEL SESSION  Hall 2
The role of eco-education in Russia’s sustainable development

WORKING SESSION  Hall 3
Towards a circular economy: separate collection and recycling (part 2)

PANEL SESSION  Hall 4
Ecology staffing: whom does the industry need?

14:00-15:30

15:30-15:45  BREAK

15:45-17:15  MEETING - PUBLIC COUNCIL of Ecology Public Forum, Autonomous Non-Commercial Organization  Hall 2

17:30-19:30  BUFFET
FIRST DAY
24 May, 2021

**9:00 A.M. - 10:00 A.M.**  REGISTRATION, WELCOME COFFEE BREAK

**10:00 A.M. – 12:00 P.M.**  PLENARY SESSION  HALLS 1-2-3

Ecology of Russia: present and the future

**KEY ISSUES:**

- The global trend towards sustainable development: how it is realized in Russia
- Climate Change Agenda: influence on Russian Economy
- Governmental policy and legal regulation in ecological development of Russia
- Closed Loop Economy: steps necessary for achieving it
- Regulatory guillotine in action: results in environmental protection
- Scientific and technological potential for ensuring ecological security of Russia
- The role of society in the preservation of nature in Russia

**MODERATOR:**

**Valuev N.**, First Deputy Chairman of the State Duma Committee on Ecology and Environmental Protection

**SPEAKERS:**

**Butsaev D.**, General Director, Russian Environmental Operator (REO)
**Edelgeriev R.**, Advisor to the President of the Russian Federation on Climate Change
**Gorshkov D.**, Director, WWF Russia
**Ismailov R.**, Chairman, Russian Ecological Society
**Nikolaev N.**, Chairman of the State Duma Committee on Natural Resources, Property and Land Relations
**Radionova S.**, Head of the Federal Service for Supervision of Natural Resources
**Timofeeva O.**, Deputy Chairman of the State Duma of the Federal Assembly of the Russian Federation
**Torosov I.**, Deputy Minister of Economic Development of the Russian Federation
12:30 P.M. – 2:00 P.M.  WORKING SESSION

Water resources of Russia: current state and necessary measures

KEY ISSUES:

- State of Russian water bodies
- Conservation and restoration of transboundary river ecosystems
- Measures to reduce pollution of water bodies
- Water bodies monitoring
- Cleaning of water bodies and consolidation of coastlines
- Modernization and construction of hydraulic facilities
- Digital platforms for water resources management

MODERATOR:

Polyanin V., Deputy Director for Relations with Non-Academic Organizations, Institute for Water Problems, Russian Academy of Sciences

SPEAKERS:

Alekseeva N., Deputy Director, Center for Hydrometeorology and Regional Works, Gidrospetsgeologiya

Balezina E., Acting Minister of Natural Resources, Khabarovsk region

Gavrilyuk A., First Deputy Director of the Department of Natural Resources Regulation, forest relations and development of oil and gas complex of the Yamalo-Nenets Autonomous Okrug

Gretchina E., Project Manager, Friends of the Baltica, Autonomous non-profit environmental organization

Nikitina O., Lead Project Coordinator, Aquatic Ecosystem Conservation, WWF Russia

Orlova S., Auditor of the Accounts Chamber of the Russian Federation

Strakhov M., Deputy Chairman of St. Petersburg Committee for Nature Use

Timchenko A., Director General, Association of the Commonwealth of the Lake Regions for Environmental Security, Innovative Technologies, Science, Art, and Education

Uderevskaya E., Chairwoman of the Baikal Commonwealth Ecological Association

12:00 P.M. - 12:30 P.M.  COFFEE BREAK

12:30 P.M. – 2:00 P.M.  PANEL SESSION

Waste management infrastructure: issues and priorities (part 1)

KEY ISSUES:

- Federal scheme of waste management
- Establishment of regional operators and MSW management schemes: the state of business
- Interaction of business and authorities in waste management
How to establish a fair tariff for waste disposal
- Optimization of waste removal logistics
- Creation of ecotechnoparks: how should they work?
- Financial mechanisms for waste management infrastructure creation
- New requirements to waste processing and landfills
- Infrastructure for final waste disposal
- Role of regions in the development of solid waste management
- Digitalization of the industry

MODERATOR:
- Dudareva A., First Deputy Chairwoman of the Russian Public Chamber Commission on Environmental Protection and Ecology

SPEAKERS:
- Chernyshin P., Development Director, TKO-Inform
- Albegova A., Minister of Environment, Kirov region
- Belyaev D., Chairman, St. Petersburg Committee for Nature Use, Environmental Protection and Ecological Safety
- Chinikhin D., Deputy Minister of Housing and Communal Services of the Moscow Region
- Galankin D., Deputy Director, Head of the Project Activities Directorate, Russian Fund for Information on Natural Resources and Environmental Protection, Ministry of Natural Resources of Russia
- Kiselev A., Special Representative of the National Association of Concessionaires and Long-Term Infrastructure Investors (CoLTI)
- Klimchuk D., Director, United Regional Operator
- Makrushin A., Deputy Director General for legal issues and analytical support of work with the federal scheme of the Russian Operator
- Matyukhin A., Head of the Department of Regulation in the field of housing and communal services of the Federal Antimonopoly Service of Russia
- Sedov A., General Director, Big Three
- Timofeeva O., Deputy Chairman of the State Duma of the Federal Assembly of the Russian Federation

12:30 P.M. – 2:00 P.M.  WORKING SESSION  HALL 3

Industrial ecology: state regulation and business initiatives

KEY ISSUES:
- The regulatory guillotine in action: first results
- Preparation of complex ecological permits: what challenges do businesses faces and how can they be solved?
- Categorization of objects with a negative environmental impact. Problems of legal regulation
- Aspects of developing eco-efficiency programs for companies
- State ecological expertise: what's new?
• Development of emission and discharge control systems
• Ecological audit: will there be a second wind?
• Prospects of ecological liability insurance introduction
• Corporate projects to reduce environmental impact
• Modernization of enterprises and introduction of ecotechnologies: role of government and business (BAT)
• Practical application of state incentives for BAT implementation

MODERATOR:

Sokolova N., Chairwoman of the Board, Ravnopravie, Autonomous Non-Profit Organization

SPEAKERS:

Denisova P., Senior Project Manager, Roland Berger
Gusar S., Vice President, All-Russian Union of Insurers
Klevakina M., Deputy Head of the Department of Agricultural and Environmental Statistics, Federal State Statistics Service (Rosstat)
Korolkov M., First Deputy General Director on Implementation of Environmental Projects, Federal Environmental Operator
Korotayev Yu., General Director, Duracell in Russia
Korotkov S., Director, UNIDO Centre for International Industrial Cooperation in the Russian Federation
Kuroshev I., Head of Metallurgical, Oil and Gas, and Mining Department, Environmental Industrial Policy Centre (EIPC) Research Institute
Obukhov A., Deputy General Director for Legal Issues, Titan Group of Companies
Pichugina N., President, Environmental Association of Forensic Experts and Auditors, Autonomous Non-Profit Organization
Sapozhnikov M., Vice President, Director of Sales Development, Russia and CIS, Marsh Insurance Broking and Risk Management

12:30 P.M. – 2:00P.M.  WORKING SESSION  HALL 4

Preserving the Forest. Part 1. Regional Meeting on Forest Stewardship

KEY ISSUES:

• Normative-legal regulation of reforestation and preservation of forest ecosystems
• Regional issues of forest management
• Interregional cooperation on Russian forest conservation
• Certification as a tool for responsible forest management
• Improvement of forest management on agricultural lands
• Coverage of forest conservation issues in the media space
• Control and supervisory activities in forests
• Fire protection: problematic issues of protecting forests from

MODERATOR:

Shmatkov N., Director, Forest Stewardship Council (FSC) of Russia
2:00 A.M. - 2:30 A.M.        COFFEE BREAK

2:30 P.M. – 4:00 P.M. WORKING SESSION

HARMONIZATION OF INDUSTRIAL AND ENVIRONMENTAL POLICIES

Green agriculture: the situation in Russia and global trends

KEY ISSUES:

- Development of green brands in agribusiness: economic and other incentives
- Ecological certification in agribusiness
- Consequences of environmental pollution caused by agro-industrial facilities
- Agrochemistry: is there an alternative?
- Environmental situation in livestock enterprises and ways to improve it
- Processing and utilization of waste in agroindustrial complex
- Strategies and technologies for green agriculture

MODERATOR:

Sarattseva E., Deputy Head, Russian Quality System (Roskachestvo)

SPEAKERS:

Belov A., General Director, Souzmoloko
Buslaeva L., Director of Research Department, Roskachestvo
Chernin S., President, GazEnergoStroy Corporation
Karmazin A., Deputy Head of Federal Service for Veterinary and Phytosanitary Supervision (Rosselkhoznadzor)
Kuznetsova E., Head, Certification Department, Ecological Union
Lakhtyukhov S., General Director, National Union of Poultry Farmers
Levin B., Deputy Chief of Staff, PhosAgro, PAO, Advisor to the Director General, Apatit
Melamed M., General Director, AIK
Shmatkov N., Director, FSC Russia
Uvaidov M., Deputy Minister of Agriculture
Waste management infrastructure: issues and priorities (part 1)

KEY ISSUES:

- Создание региональных операторов и терпих обращения с ТКО: состояние дел
- Взаимодействие бизнеса и власти в обращении с отходами
- Новые требования к переработке отходов и полигонах
- Инфраструктура для конечной утилизации отходов
- Оптимизация логистики вывоза мусора
- Создание экотехнопарков: как это должно работать?
- Финансовые механизмы создания инфраструктуры обращения с отходами
- Роль регионов в развитии отрасли обращения с ТКО

MODERATOR:

Makrushin A., Deputy General Director for Analytical Support, Russian environmental operator (REO)*

SPEAKERS:

Bakhtina I., Deputy Chairman of the Government, Komi Republic
Bogachenko V., Director of Corporate Communications, LafargeHolcim Russia
Chernin S., President of GazEnergoStroy GC Corporation
Gubaidullin R., Head, Clean Country Association
Kallio H., CEO of Pirkanmaan Jatehuolto Oy (Pirkanmaan Jatehuolto, recycling operator)
Klimchuk D., Project Manager, Autopark №1 Spetstrans
Likharev S., Vice President for Logistics, NLMK Group
Petrosyan V., Deputy General Director for Scientific Development, JSC RT-Invest
Veselov A., Chairman, Association of Waste Recycling Entrepreneurs

City for the people: making urban space comfortable

KEY ISSUES:

- Assessment of the quality of urban life and the impact of the environment on public health
- Main environmental problems of Russian cities
- Environmental monitoring in cities
- Ensuring the right to clean water and air: tools and mechanisms
- Green building standards
- Eco-development: obstacles and prospects
- Building environmentally friendly transportation systems
- Problems of urban greening
- Forming a trend towards sustainable fashion

MODERATOR:
- Ismailov R., Chairman, Russian Ecological Society

SPEAKERS:
- Antipov O., Deputy of the Environmental Protection Workshop, GlavAPU (Main Architectural and Planning Department of Moscow)
- Bobylev N., Head of the Educational Program in Environmental Management, Saint Petersburg State University (SPbU)
- Gostraya O., Coordinator of Working Group of State Duma Committee on Ecology and Monitoring of De-icing Agents Usage Consequences and Their Impact on People’s Health and Environment
- Ilyina I., Director of the Institute for Regional Studies and Urban Planning, National Research University Higher School of Economics
- Mukayarov E., Head of Environmental Protection Workshop, GlavAPU (Main Architectural and Planning Department of Moscow)
- Neverskaya N., Head of Corporate Communications and Government Relations, Signify (Philips Lighting) Russia and CIS
- Shmeleva A., Head of Environmental Department, CrushMash Group
- Startseva O., Chairman of the Ekaterinburg Ecological Council
- Toporkova K., Head, +1Gorod eco-map project
- Voropanov S., Mayor of Vologda
- Yandiev M., Deputy, Moscow City Duma
- Zhuravleva T., Head of the ASI Urban Competence Center*
  Representative of Federal Service for Surveillance on Consumer Rights Protection and Human Wellbeing (Rospotrebnadzor) *

2:30 P.M. – 4:00 P.M.

Risk-free hydrocarbons: minimizing the oil and gas industry's environmental impact

KEY ISSUES:
- Programs of oil and gas companies on minimizing their carbon footprint
- Green technologies: environmentally safe solutions for oil and gas industry
- Oil Spill Response Plans: minimizing environmental risks
- Oil Spill Response solutions
- Programs for minimizing environmental damage in regions of operation

www.forumeco.ru
MODERATOR:
Vazhenin Y., Member of the Federation Council Committee on Economic Policy

SPEAKERS:
Borzykh P., Minister of Ecology and Environmental Management of Krasnoyarsk region
Garshin V., Deputy Director of the Civil Defense and Population Protection Department, EMERCOM of Russia
Knizhnikov A., Head of WWF Russia’s Business Environmental Responsibility Program*
Kondukov P., Director of Tax and Legal Consulting Department, KPMG
Kondukov P., KPMG
Kuznetsov A., Minister of Natural Resources and Environmental Protection of the Republic of Komi
Pereladov A., Managing Partner, Regionservice, Kemerovo
Samatov A., Head of Environmental Protection Department, Sakhalin Energy
Sitnikov P., Business Development Manager, Flottweg Moskow
Veselov A., Chairman of the Union of Ecologists of the Republic of Bashkortostan
Zhigun E., General Director, Flottweg Moskow

4:00 A.M. - 4:20 A.M.  COFFEE BREAK

4:20 P.M. – 6:00 P.M.  PANEL SESSION  HALL 1

Waste reform: the role of FMCG producers and retailers

KEY ISSUES:
- Extended producer and importer responsibility: a new concept
- Improvements in the legal and regulatory framework for EPR
- Economic incentives for EPR implementation
- What will the information system for control of packaging waste provide?
- Companies experience in changing the approach to packaging
- What kind of packaging addresses the interests of nature and consumers?
- Is it possible to reduce waste?
- Who will be responsible for the service packaging?

MODERATOR:
Alentsin V., Deputy Chairman, Committee of the Chamber of Commerce and Industry of the Russian Federation on Natural Resources Management and Ecology

SPEAKERS:
Ivanova O., Director for Sustainable Development, Tetra Pak in Russia, Ukraine, Belarus, Central Asia and Caucasus countries
Korsun V., Project Manager of Government Relations Department, X5 Retail Group
The right to air: implementation of the Clean Air Federal Program and methods of control

KEY ISSUES:

- Improvement of the regulatory framework for the implementation of the Clean Air federal program
- Methodologies for calculating harm from air pollution
- Improvement of the atmospheric air quality monitoring system
- Experience of 12 cities: implementation of pilot projects
- Modernization programs for industrial enterprises reducing pollution loads on the atmosphere
- Modern air filtration and dust collection technologies

MODERATOR:

 порядок программы

ORDENOV G., Member of the Federation Council Committee on Agrarian and Food Policy and Environmental Management

SPEAKERS:

 ordernov g.

 Gilyov I., First Deputy Minister of Environment, Chelyabinsk region
 Lobov I., Minister of Natural Resources and Environment of the Omsk region*
 Motorkin A., Leading Specialist of Production Department, Titan Group of Companies
 Panov A., Deputy Governor of the Kemerovo region (Kuzbass) on industry, transport, and environment
 Peshkov Yu., Head of the Department of Environmental Pollution Monitoring, Polar and Marine works, Federal Service for Hydrometeorology and Environmental Monitoring (Rosgidromet)
 Revich B., Head of Laboratory of Environment Quality and Population Health Forecasting, Institute of Economic Forecasting, RAS
 Stepanov S., Head of Innovative Coal Processing Technologies Department, SUEK-Krasnoyarsk
 Turgeneva L., Head of the Department of Environmental Safety and Environmental Protection of SDS-UGOL Holding Company, AO
Ways to reduce the negative impact of industry on the environment

KEY ISSUES:

- Introduction of green technologies in industries
- Updating of BAT Reference Documents
- A unified state information system for industrial waste management
- Experience of recycling companies
- Development of recycling system in Russia
- Investment and technological potential of industrial waste recycling
- Creation of complex system for industrial waste treatment
- Hazard class I and II waste recycling
- Role of ecotechnoparks in industrial waste recycling
- Secondary material resources. Waste, secondary raw materials or products

MODERATOR:

Alekseev S., Chairman of the Committee on Environmental Management and Ecology, Chamber of Commerce and Industry of the Russian Federation

SPEAKERS:

Kovalev V., Director, Department of Economic Development of Kurgan region

Kuleshov A., Deputy Head of the Federal Agency for Technical Regulation and Metrology (Rosstandart)

Kvasnikov Yu., Head of Division of Environmental Policy and Best Available Techniques of the Department of Strategic Development and Corporate Policy, Russian Ministry of Industry and Trade

Lapina L., Head of the Project Office, Federal Environmental Operator (FEO)

Mikhailova E., Chief Ecologist, Head of Industrial Ecology Efficiency Department, Trubnaya Metallurgicheskaya Kompaniya (TMK)

Pichugina N., President, Environmental Association of Forensic Experts and Auditors, Autonomous Non-Profit Organization

Semenov M., Deputy Head of GIS-technologies and Mathematical Modeling Department, Center for Object Monitoring of the Suboil State, Hydrospetsgeologia

Serebryansky D., Head of Gas Purification Laboratory, Bakor Scientific and Technical Center

Terushkov I., President, ECORECYCLING Interregional Industrial Corporation
New life of SPNA: balancing conservation and development of ecotourism in Russia

KEY ISSUES:

- Strategy for the development of Specially Protected Natural Areas until 2030
- Reform of the SPNA management system
- Harmonization of legislation on SPNA
- Monitoring of the state of national parks
- Development of performance criteria for SPNA
- Involvement of businesses in creating infrastructure for tourism in national parks
- Experience in co-creation of reserves with foreign countries
- Features of ecotourism development in Russia

MODERATOR:

Poplavskaya L., Deputy Director of the Biodiversity Conservation and Ecotourism Development federal project, Roszapovedcenter, Ministry of Natural Resources and Environment of Russia

SPEAKERS:

Kumarkov A., Minister of Natural Resources and Environment of Kamchatka region
Nechaev D., Director of the Russian Nature Reserves Exhibition Center, Autonomous Non-Profit Organization
Nemchinov P., Chairman of the Committee of Natural Resources, Leningrad region
Onufrenya I., Director, WWF Biodiversity Conservation Program
Penkov D., Director of the Department - Chief State Inspector of the Yaroslavl region in the field of environmental protection
Plato T., Deputy Director of Republican Center for the Functioning of Specially Protected Natural Areas and Nature Management, Kazakhstan republic
Solenov O., Deputy Minister of Natural Resources, Krasnodar region
Tereshchenko N., Advisor on Government Relations, Argumenty i Fakty publishing house
Timchenko E., Director, Directorate of Specially Protected Natural Areas of Kuzbass
Zakharova O., Deputy Director General, Agency for Strategic Initiatives (ASI)
SECOND DAY
25 May, 2021

9:00 A.M. - 10:00 A.M.        REGISTRATION, WELCOME COFFEE BREAK

10:00 A.M. – 11:30 A.M. WORKING SESSION HALL 1

Accumulated environmental damage. The role of state and business

KEY ISSUES:

- Liquidation of unauthorized dumps and hazardous objects of accumulated environmental damage: the role of the state and the experience of companies
- Improvement of normative and legal regulation in the sphere of liquidation of accumulated environmental damage
- Economic mechanisms of incentives for liquidation of accumulated damage
- Responsibility of business for liquidation of accumulated damage
- Public control over liquidation of accumulated environmental damage

MODERATOR:

Solovyanov A., All-Russian Research Institute for Ecology

SPEAKERS:

Albegova A., Minister of Environment, Kirov region
Alekseev S., Chairman of the Committee, Chamber of Commerce and Industry of the Russian Federation on Nature Management and Ecology, honored ecologist of Russia
Blokov I., Director of Programs, Research and Expertise Department, Greenpeace Russia*
Chernin S., General Director, Gazenergoostroy - Ecological Technologies
Egorov D., Minister of Ecology and Natural Resources of Nizhny Novgorod region
Kazakov V., Director General, CrushMash Group
Korolkov M., First Deputy Director General on implementation of environmental projects, Federal Environmental Operator
Nosareva O., Head of the Department of State policy in the field of environmental protection, Ministry of Natural Resources, Environment and Fisheries of Murmansk region
Turgeneva L., Head of the Department of Environmental Safety and Environmental Protection, SDS Ugol
Green project financing: development of rules and incentives

KEY ISSUES:
- Public policy in the field of green finance
- Taxonomy of green project financing
- Methods of stimulating ESG investments
- Why do investors choose green projects and companies
- Development of ESG bond market in Russia
- How does green finance affects society and climate

MODERATOR:
Titov M., Executive Director, ENERPO Energy Policy Research Center, European University in St. Petersburg

SPEAKERS:
Bagreeva M., Deputy Head of the Office of the Mayor and Government of Moscow
Besshapov P., Advisor to the Director General, Russian Environmental Operator (REO)
Kirevnin A., Acting Director of the Department of Financial and Banking Activities and Investment Development, Ministry of Economic Development of the Russian Federation
Miroshnichenko A., Deputy Chairman of VEB.RF - Member of the Management Board
Nagaeva E., Director of the Listing Department, Moscow Exchange
Potemkin V., Managing Director, Corporation for the Development of the Far East and the Arctic
Stepanenko V., Deputy Director of the Corporate Governance Department, Bank of Russia
Volosatova A., Deputy Director, Environmental Industrial Policy Centre (EIPC) Research Institute

New generation: Shaping a green energy sector

KEY ISSUES:
- State programs of support for the development of alternative energy
- Development of renewable energy industry: achievements and new challenges
- Development of electricity origin certificates: who stands to gain
- Promising projects of green energy development companies
- Hydrogen energy development programs
- Technologies for development of green energy system

MODERATOR:
Barkin O., Member of the Board - Deputy Chairman of the Board of the Association NP Market Council
Preserving the Forest. Part 2. Non-state forest management and timber industry development

KEY ISSUES:

- Regulatory framework for forestry operations
- Opportunities and challenges of implementing LesEGAIS timber accounting system
- Ecological programs of forestry companies on reducing environmental impact
- Decisions to support forest sector processing facilities
- Involvement of the forest sector in the circular economy: companies' projects
- Introduction of BAT in the timber industry

MODERATOR:

Kanaev A., Member of the State Duma Committee on Economic Policy, Industry, Innovative Development and Entrepreneurship

SPEAKERS:

Alexandrov E., Head of Information and Analytical Department, Ministry of Natural Resources and Environment, Novosibirsk Region*

Basalaev A., Deputy Director Public Forum Ecology, ANO

Belskaya E., Head of Government Relations Department, Zapsibneftekhim

Fedorov D., Head, ZELENAYA CIVILIZACIYA, Autonomous Non-Profit Organization; Head of ECA Movement programs

Kesarev E., Vice-President of the Union of Timber Industry and Timber Exporters of Russia

Lakhtikov Yu., Chairman of the Board, Bumprom, Russian Association of pulp and paper industry organizations and enterprises

Mikrukov G., Head of Industry and Ecology Department, Analytical Center under the Government of the Russian Federation

*Denotes key speakers
ESG agenda in Russia: trends and nuances

KEY ISSUES:

- ESG in Russia and worldwide: development trends and windows of opportunity
- Implementation of ESG strategies in Russian companies
- The role of ESG-strategies in increasing the attractiveness of companies
- Generation of public non-financial reporting of companies
- The benefits of environmental management

MODERATOR:

- Luchina O., Head of Sustainable Development and Volunteer Programs, Philip Morris International

SPEAKERS:

- Alentsin V., Deputy Chairman of the Committee, Chamber of Commerce and Industry of the Russian Federation on Natural Resources Management and Ecology
- Gerasimova S., Partner of the Sustainable Development Strategies and Practices Project Office, Director of School of School of Corporate Social Responsibility and Sustainable Development, MIRBIS Institute, Plekhanov Russian University of Economics*
- Grishankova S., Managing Director of RAEX-Europe*
- Kiselev A., Special Representative of the National Association of Concessionaires and Long-Term Infrastructure Investors (CoLTI)
- Knebeler J.C., Sustainable Development Department, International and Comparative Law Research Center
- Korolev S., Deputy General Director for Investment Development, Russian Environmental Operator (REO)
- Lisitsyn A., Head of Department of Ecology, Labor Protection and Industrial Safety, Russian Railways
- Mandryko E., Managing Director of projects at KB Strelka consulting company
- Sarkisova S., Project Manager, Donors Forum Association of Grantmaking Organizations
- Tarasov D., Head of the Center for Macroeconomic and Regional Analysis and Forecasting, Rosselkhozbank
Climate change: how it affects business and people

KEY ISSUES:

- Russia's role in combating global warming
- Regulatory support of realization of the Paris agreement on climate
- International cooperation on reducing anthropogenic climate impact
- Cross-border carbon tax: adaptation to new realities and assessment of opportunities
- Economic incentives for enterprises in reducing emissions
- Improvement of the climate change monitoring system
- Carbon trading: a test run
- How climate change impacts on human activities
- Public awareness of climate change

MODERATOR:

Romanovskaya A., Director, Yu. A. Izrael Institute of Global Climate and Ecology (IGCE)

SPEAKERS:

Bobylev P., Director, Department of Competition, Energy Efficiency and Ecology, Ministry of Economic Development of Russia*

Crouch J., Acting Deputy British Ambassador to Russia

Filatkina Yu., Executive Director, Russian Ecological Society

Gershinkova D., Sakhalin Oblast Governor's Representative, Manager of the Climate Project

Korshunova I., Senior Director for Quality and Sustainability, McDonald's Russia

Mansurov O., General Director, Successful Rockets

Miskevich E., General Director, Center 2M

Nikolaev N., Chairman, Committee on Natural Resources, Property and Land Relations, State Duma of the Russian Federation

Ordenov G., Member of the Federation Council Committee on Agrarian and Food Policy and Environmental Management

Pluzhnikov O., Deputy Chairman of the Committee, Chamber of Commerce and Industry of the Russian Federation on Natural Resources Management and Ecology

Roginko S., Head of the Center for Ecology and Development, Institute of Europe, Russian Academy of Sciences
Towards a circular economy: separate collection and recycling (part 1)

**KEY ISSUES:**

- Separate collection: the role of the state, business and population in spreading the practice
- Economic incentives for citizens and companies engaged in separate collection and recycling of MSW
- What legal obstacles prevent the creation of separate collection system
- Practical cases of companies implementing the separate waste collection system
- How to create an economy within the industry?
- Measures necessary for the increase of recycling rates
- Waste reduction as the main method of nature conservation

**MODERATOR:**

Nagorskaya T., Chairman of the Board, Razdelniy Sbor Association

**SPEAKERS:**

- Gutman D., Executive Director, SOEMZ
- Korshunova I., Senior Director for Sustainable Development, McDonald's Russia
- Kuprin R., Director of Metallurgy and Materials Department, Russian Ministry of Industry and Trade
- Makrushin A., Deputy General Director for Analytical Support, Russian environmental operator (REO) *
- Sergeev A., Executive Director of League of Waste Paper Recyclers Association
- Ten C., Chairman of the Association of Specialists and Enterprises Engaged in Oil and Fat Waste Processing
- Vishnyakova D., Deputy General Director, EcoLine Group of Companies

Rational water use: tools and technologies

**KEY ISSUES:**

- Housing and Urban Environment national program: Clean Water target program gets relocated
- Programs for upgrading wastewater treatment systems and sewage treatment plants in settlements
- Eco-technologies in Water and Wastewater Sector
- Plans of water consumer companies on wastewater treatment
- Water treatment technologies and waste water sludge disposal
- Smart technologies for rational water use
- The energy potential of waste in the Water and Wastewater Sector

**MODERATOR:**

Samburskiy G., Head of Technical Committee on Quality, Federal Agency for Technical Regulation and Metrology (Rosstandart); Deputy Executive Director of Russian Water and Wastewater Association
SPEAKERS:

Efremov I., President, Svobodny Sokol
Erantsev D., Head of Technical Department, KuibyshevAzot
Grevtsov O., Head of Department of Light Industry, Construction and Agriculture, Environmental Industrial Policy Centre (EIPC) Research Institute
Gvozdev V., Deputy Director of Analysis and Technological Development of Water Supply and Sanitation Systems Department, Vodokanal of St. Petersburg
Lukhtanov V., General Director, Algobiotechnology
Meshengisser Yu., Chairman of the Board of Directors, MY PROJECT
Shiroglazova O., Account Manager, Bio-Khim
Travnikov A., Sustainability Manager, Philip Morris International Operations Centers

1:30 P.M. - 2:00 P.M.        COFFEE BREAK

2:00 P.M. – 3:30 P.M.        WORKING SESSION  HALL 1

Without a trace: shaping an environmentally friendly transportation system

KEY ISSUES:

- Development of environmentally safe transport infrastructure
- Stimulating the development of alternative modes of transport
- Electrification programs for transport: railway and automobile transport experience
- Greening of industrial transport projects
- Environmentally safe fuels

MODERATOR;

Goryacheva D., Director of MEFT (International Eurasian Forum Taxi), ANO

SPEAKERS:

Beneslavskaya N., Head, IKEA Sustainable Development
